# INTERACTIVE HOLIDAY CARD

Combine interesting images and sounds to create an interactive holiday card that you can send to someone you care about.
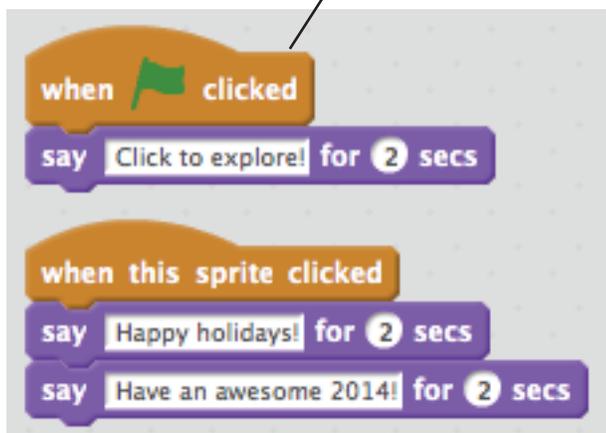

For more help, follow the full tutorial (with videos) at http://scratch.mit.edu/hoc/

STEP BY STEP...

1. Add a sprite

choose a sprite from the library

paint your own sprite

import an image

take a picture

2. Make it interactive

make your sprite interactive by adding scripts that have the sprite respond to clicks, key presses, and more

3. **Repeat steps 1 and 2 until you've achieved your creative vision!**

4. **Share your project and add it to the Hour of Code studio:** http://scratch.mit.edu/studios/279432/

5. **Send your online holiday card by sharing the link with family and friends.**
